

Access VA health care wherever and whenever you need it.

"The immediate feedback that I get gives me assurance that someone is tending to my needs."

— Josef Mendez Lopez,
U.S. Army Veteran

Get Connected With VA Care Through VA Health Chat

The VA Health Chat app enables you to exchange messages with VA staff about your non-life-threatening health concerns.

Access VA Health Chat on the
VA App Store or download it on the
Apple App Store or Google Play.
