

# MAIL FRAUD ALERT

Mail fraud letters look real but the promises are fake.

Older people are losing millions of dollars every year to mail scammers. Watch out for mail with these warning signs:

- Claims that you have won money or will win money
- Letters asking you to pay a fee to receive a prize
- Letters from psychics or offers to predict your future
- Mail that looks personalized to you from someone you don't recognize

Don't respond and don't send money. If you're not sure about a letter, show it to someone you trust.
